

**PRIME TECHNOLOGY CORP.
EXPORT MANAGEMENT AND COMPLIANCE PROGRAM**

Export Control Clause with Customers

Prime Technology Corp. fully complies with all U.S. export control regulations, including the International Traffic in Arms Regulations (ITAR) and the Export Administration Regulations (EAR).

As a Term of Sale, Prime Technology Corp. requires its customers to use reasonable efforts to cooperate with, and assist, Prime Technology Corp. in the correct identification and classification of items provided by the customer or manufactured to customer's requirements, designs and/or specifications, which may be subject to U.S. export control regulations. If the customer cannot, or will not, make commonly reasonable efforts to assist Prime Technology Corp. in the correct identification or classification of items relative to U.S. export control regulations, then the customer hereby indemnifies and holds harmless Prime Technology Corp. from any resulting violation and/or penalties which may arise from the inaccurate classification of items and any resulting exports of such items which occurs.

The term "item" (as described herein) includes product or hardware, technical data, software, or technology which is subject to any U.S. export regulation. "Item" does not just refer to the physical product itself.

Prime Technology Corp. will not export restricted items without documented proof of a license or agreement from the appropriate U.S. governmental authority, and will follow all terms, conditions and provisos on such license or agreement as a condition of exporting and engaging in business with its customers.

Prime Technology Corp. shall not be liable in any way to customers or third parties for delays caused by licensing issues to the extent such licensing issues arise out of customer's failure to cooperate with and assist Prime Technology Corp. in its efforts to accurately classify items provided by the customer or manufactured to the customer's requirements, designs and/or specifications.

The customer will also ensure that all company personnel who represent the customer in a visit to Prime Technology Corp. will identify their citizenship/nationality. In the event Prime Technology Corp. informs customer that restricted items will be involved or accessible on a site visit to Prime Technology Corp.'s facility or customer otherwise knows that restricted items will be involved or accessible on a site visit to Prime Technology Corp.'s facility, customer will only send personnel on such a site visit who are authorized by the U.S. export regulations to receive and work with restricted items.
